We are a member agency of United Way of Clarion County

FROM THE DIRECTOR'S DESK

Our agency recently had two twenty-year members of the Board of Directors retire. That is correct, I said TWENTY YEARS! We cannot let these two Board members retire without taking a moment to reflect on their commitment and dedication to our organization.

Coach Robert Bubb joined our Board of Directors in 2004. Coach Bubb brought a wealth of knowledge and experience to our agency. As a coach he provided encouragement to the administrative team when times were tough. Coach's soft-spoken words of wisdom were delivered with the utmost professionalism. Coach Bubb is nothing short of an inspiration and icon in our community! Thank you Coach Bubb for all you have done for our agency!

David Cox also joined the Board of Directors in 2004. Dave's commitment and dedication from the inception to the completion of our current building cannot be overstated. ALL of the staff past and present have such an appreciation for our building and the work that went into it. The building was a necessity as we literally outgrew our space! We cannot forget to thank Dave for his sound financial advice over the years. I, personally, have learned so much from Dave's leadership and am committed to keeping our building in tip-top shape knowing the hard work that went into it! Thank you Dave for all you have done for us!

Our agency is nothing short of BLESSED to have past and current Board of Directors members who take time away from their busy schedules to direct and assist our administrative team in making sound decisions and building our leadership skills.

You will see many photos in this newsletter about our annual golf outing. Our agency's golf outing is our biggest fundraiser. There is a LOT of work that goes into this, but boy do we have fun planning it! John Heywood said it best: "Teamwork divides the task and multiplies the success." And what a success it was! Thank you to our team of volunteers, golf committee members, family, and friends who were all part of this event! A special thank you to Cheryl Scott's family and friends for spending the day working the event and helping us honor and remember our dear co-worker and friend.

We thank anyone and everyone who donated to our golf outing! We truly appreciate your contributions! Our golf committee works hard every year to make this event better than it was the year before. We were so pleased to see many new teams join our event this year.

Again, I cannot thank you enough for any and every donation we receive. Clarion Forest VNA, Inc. is one of the very few independent, non-profit home health and hospice agencies left in Pennsylvania. We pride ourselves on our teamwork and family-friendly environment. Laughter and camaraderie can often be heard when entering our building. We cry together when we lose patients we have all grown so fond of. The continued support of past patients, family, & friends sustains us and has seen us through many difficult times.

May you all have a healthy and happy holiday season!

Lisa Steiner, RN, BSN
Chief Executive Officer

MAKING A CHARITABLE DONATION

Did you know you can use an IRA to make a charitable donation? This can help lower a tax bill while supporting a worthy cause. A qualified charity includes most public charities that are eligible to receive tax-deductible contributions. When you make a qualified charitable donation, it provides the opportunity to make a charitable contribution that you might otherwise not have been able to make. You could also miss out on potential tax benefits for charitable contributions that you are already making! If you have any questions, please check with your financial or tax advisor.

The VNA's mission is to provide quality and appropriate home health care services to residents of Clarion and Forest Counties, regardless of the ability to pay, to the extent that resources are available. With our mission statement in mind we again, truly appreciate and depend on charitable contributions. We thank you for your consideration of our agency when making your contributions.

The Clarion Forest VNA can accept charitable donations related to its non-profit status. Clarion Forest VNA, Inc. is registered as a Charitable Organization with the Department of State, Bureau of Corporations and Charitable Organizations under The Solicitation of Funds for Charitable Purposes Act, 10 P.S. § 162.1 et seq., and is authorized to solicit charitable contributions under the conditions and limitations set forth under the Act.

On behalf of our Board of Directors and Staff, we extend our heartfelt appreciation to the families of the following individuals for naming Clarion Forest VNA, VNA Hospice, Adult Daily Living Center, or VNA Extended Care Services to be the recipients of memorial contributions. We were remembered in the following obituaries from January 1, 2024 through June 30, 2024:
